I certify that I am interested in pursuing the Scientific Computing and Applied Mathematics (SciCAM) Master of Science Program, and that I meet the requirements below for the 4+1 BS/MS Contiguous Pathway:

- I am pursuing one of the following undergraduate degrees:
 - B.S. in Applied Mathematics
 - B.S. in Applied Physics
 - B.S. in Astrophysics
 - B.S. in Computer Engineering
 - B.S. in Computer Science
 - B.S. in Electrical Engineering
 - B.A. in Mathematics
 - B.S. in Physics
 - B.S. in Robotics Engineering
- I have a GPA of at least 3.3
 - Current GPA: _____ Date: _____

A GPA of 3.3 or higher must be maintained through completion of the undergraduate degree.

- I have taken or will have taken at least two of the following courses (or an equivalent course) by the time I complete my undergraduate degree. Please indicate when you plan to complete (or have completed) each course. If you have taken an equivalent course and are requesting a waiver, please write "Waiver" and explain your request based on the terms described below.*

Students who are accepted into the SciCAM 4+1 BS/MS Contiguous Pathway must still apply to the SciCAM M.S. Program through the standard graduate application, however they will enjoy a streamlined process, in which they will only be required to provide unofficial UCSC transcripts with their graduate applications. The GRE, statement of purpose, and personal history statement requirements will be waived. Letters of recommendation are preferred, but will not be required.
